Please visit the Dunkirk tourism website for more information on hotels : [Hotels | Dunkerque Tourisme \(dunkirk-tourism.com\)](#)

COVID-19 MEASURES

Following the latest regulations by the [French authorities](#), it is required from all participants to present their European covid safe ticket and proof of identity upon entrance at the event and dinner venue, either via an app or a printed certificate with the relevant QR code. Masks and social distance won't be required in those venues.

More information on the EU covid safe ticket and how to get it on the following [website](#).

Please see below the location and contact details of two closest test centers:

Pharmacie Sautiere (25 minutes' walk)

Address : 69 av. Faidherbe – 59240 Dunkerque

Phone number : +33(0)3 28 63 18 50

Laboratoire Biopath (30 minutes' walk)

Address : 122 bd de la République 59240 Dunkerque

Phone number : +33(0)3 28 29 03 80

HYBRID PLATFORM & MATCHMAKING SESSIONS

We are organizing a hybrid event combining physical presence in Dunkirk and virtual attendance. Therefore the sessions will also be livestreamed on our dedicated event platform (link to be sent closer to the date).

To help you meet future collaborators and partners during the CO₂ Value Days, we have foreseen some networking time! The matchmaking sessions will take place on:

- Thursday 25 November from 16.30 to 18.00 CET
- Friday 26 November from 11.00 to 13.00 CET (for those not joining the visit of the harbor)

You'll be soon invited to create your networking profile on the Conversation Starter platform. Via this platform, you will be able to browse the list of participants and invite them for 1-to-1 conversations.

A dedicated area will be organized in the event venue so all in person attendees can connect with online participants for 1-to-1 conversations. Please make sure to bring your own headset or earplugs.

CONTACT US

For any question you may have, please feel free to contact us at contact@co2value.eu or +32 (0)2 761 16 48. We look forward to seeing you in Dunkirk!
